PRESS COMMUNIQUÉ.

Dated Fort St. George, 20th June 1939.

No. 521 —

With reference to Notification No. 538 published in the *Fort St. George Gazette*, dated 20th June 1939, regarding payments to be made under the Madras Sales of Motor Spirit Taxation Act, the following instructions are published for the information and guidance of those who have to pay taxes under the Madras Sales of Motor Spirit Taxation Act, 1939, and furnish receipts for such payments to the Collector along with the prescribed monthly returns by the 25th of the month, as laid down in rules 19 and 21 of the rules framed under section 26 of the above Act :—

Payments may be made in cash or by cheque as explained below :—

(1) *Payment in cash.*—Cash payments on account of tax payable in Madras City should be made at the Madras Taluk Treasury.

Cash payments on account of tax payable in the mufassal should be made at the most convenient Government treasury or sub-treasury in the district in which the dealer is registered.

(2) *Payment by cheque.*—Payments on account of tax payable in Madras City will also be accepted at the Madras Taluk Treasury in the form of cheques in favour of the Tahsildar of Madras provided the cheques are drawn on any Madras Bank having a clearing account with the Reserve Bank of India.

Payments on account of tax payable in the mufassal will be accepted in the form of cheque at any Government treasury or sub-treasury in the district in which the dealer is registered, provided that the business of such treasury or sub-treasury is conducted by a Branch or a Treasury Pay Office of the Imperial Bank of India acting as the Agent of the Reserve Bank of India and provided the cheques are drawn on a 'local bank' (i.e., a bank situated in the same station as the treasury or sub-treasury concerned). Such cheques should be drawn in favour of the Treasury or Sub-Treasury Officer concerned and presented at the treasury or sub-treasury for credit to the Government account.

The banks which have a clearing account with the Reserve Bank and the treasuries and sub-treasuries, the business of which is conducted by a Branch or a Treasury Pay Office of the Imperial Bank of India acting as the Agent of the Reserve Bank of India are shown in Appendices I and II to this Communiqué.

When payment is made by cheque, the treasury or sub-treasury will issue a receipt only for the cheque in the first instance and will send a formal receipt for the payment by post after the cheque has been cleared. It will therefore be necessary for a person who pays by cheque

to do so sufficiently in advance of the 25th of the month so that he may receive the final receipt in time to send it to the Collector with his monthly return by the 25th of the month

The question of providing further facilities for making payments by cheque is receiving consideration.

Continuance in office of certain existing members of market committees.

STATEMENT OF OBJECTS AND REASONS.

The object of this Bill is to amend the Madras Commercial Crops Markets Act, 1933 (Madras Act XX of 1933), for the purposes indicated below

2. Every market committee established under the Act includes four persons elected by persons licensed under section 4 to set up places within the notified area for the purchase and sale of commercial crops—see section 6 (1) (iv). It is represented to the Government that registered traders need not necessarily be licensees under section 4 and that registered traders should also be given due representation on the market committee. It is therefore proposed to amend section 6 of the Act so as to provide that the four members of the committee elected at present by licensees under section 4 shall be elected instead, from among themselves, by the licensees and registered buyers, sellers, and buyers and sellers—see clause 3 of the Bill.

3. The Act as it now stands does not provide for the levy of any subscription from persons for whose use information regarding crop statistics and marketing in respect of any commercial crop or crops is collected Provision for the levy of such subscriptions is made by clause 4 of the Bill. It may be added that on the levy of such subscriptions, the market committee may get itself registered as a news agency, and obtain the benefit of the reduced telegraph rates allowed to such an agency.

4 The funds of the market committee cannot now be spent on schemes for the extension or cultural improvement of the commercial crop or crops concerned or on the grant of financial aid to schemes devoted to such objects run by other bodies or individuals. It is considered desirable that provision should be made for meeting such expenditure from the funds of the market committee. Clause 5 of the Bill makes the necessary provision in this behalf. Financial aid may however be granted to other bodies or individuals only with the approval of the Government

5 Clause 6 is consequential on the provision for the levy of subscriptions contained in clause 4, and clause 7 makes it clear that the tenure of office of members of market committees already elected under section 6 (1) (iv) will not be affected by the provisions of the Bill.

6. The opportunity has been taken to make an amendment in the definition of "notified area" consequent on the insertion in the Act of section 5-A by Madras Act IX of 1936 —see clause 2 of the Bill.
